It was nice getting to know
you better in art class.
No matter if you like doing
something or not I've never
seen anyone stay with something
that long. Good job!

Hope we're in some more
classes ~~next~~ next year.

Best of Luck now and always
Have an awesome
summer see ya

Donna,

Hi,
Social Studies
has been fun.
Thanks for selling
candy in class, I
gave you a little
business. Have a
great summer. Have
a fun time next
year. You're a good
Friend. your friend,

Celine

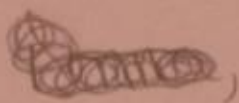

Donna,
Well, the year's
over, and I'm
coming to an end, and
I won't miss waking
up at 6:00 and then
dealing with the
awakened in the
morning. I just
can't handle it.
I won't forget
all the fun we had in

Donna,
Hello!
It was fun
being in English
with you for the past
two years. I liked
Mrs. Murray better.
We'll have a great summer
and hope to see you
next year in English.
Class of '90"

Donna,
This year has
been awesome. Sophomore
rule! Softball was awesome.
You did really good & shortstop.
Have a crankin' summer.

Ron Hindmarch, This Is Your Yearbook!

Mr. Hindmarch has taught all of us responsibility. With help from him, we have learned alot about ourselves and other people. Mr. Hindmarch, "Thanks" for always being there you are the greatest.

Leanne Mambretti Vice Pres.

Mr. Hindmarch vounteered to be our class advisor at the end of our sophmore year. He not only became a fantastic class advisor, but he has become a fantastic friend. You have touched our lives "Heiney" with a spark of joy, and we will forever thank you, you are the best of the best Mr. Hindmarch!

Beth Monfiletto Secretary

Ron Hindmarch is not just a teasher of his classes but a teacher for everyone! A caring man who we all can call our very best friend!!

Patti Moser Tearsurer

The Class of '88 and the Hiltorial Yearbook Staff would like to dedicate the Hiltorial '88 to mr. Ron (Hinnie) Hindmarch. Through his years at H.H.S. he has shown spirit, friendship, and understanding to his students, coworkers, and friends.

Mr. Hindmarch became our advisor in our sophomore year. Both Mr. Hindmarch and Mr. Westcott brought

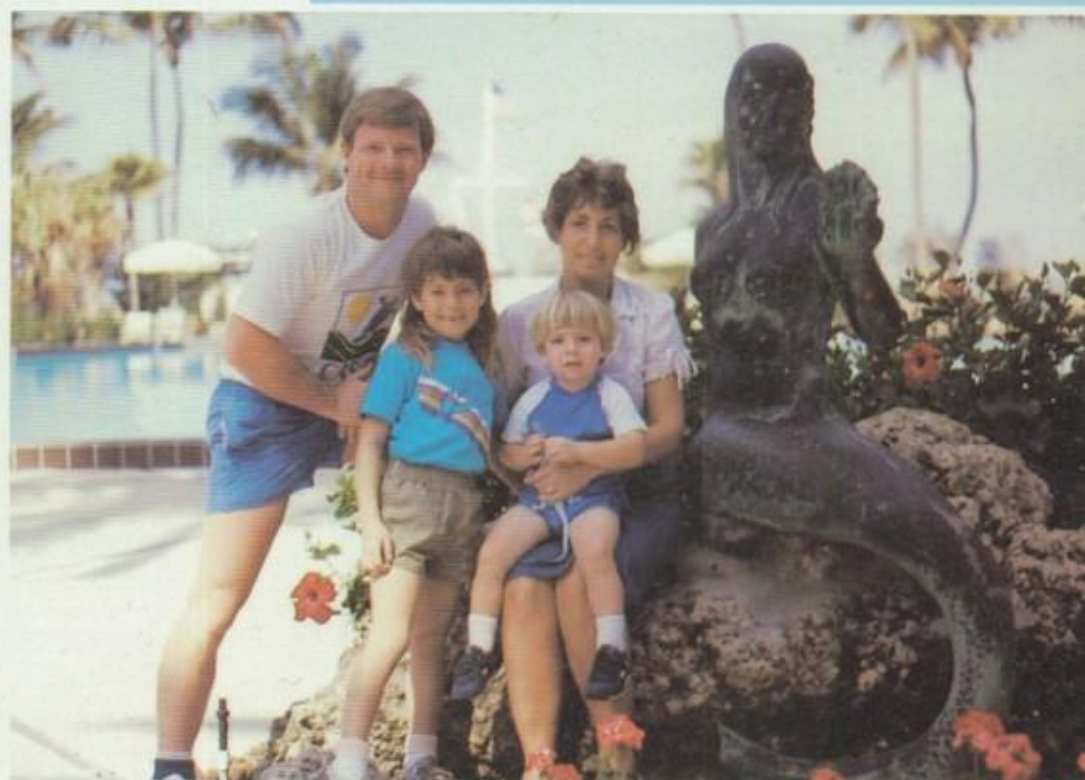

spirit into the class, which the class had never had before. Such as the '87 Homecoming for example. Mr. Smalley said, "I have never seen so much class spirit in a long time." Another example would be the '87 senior home-room bird calls. You'll never guess who was the first one there with his imitation of a bird with direa, yes, Mr. Hindmarch. But besides the spirit he

gave us, there was something extra-special about him.

Mr. Hindmarch seemed to be just an advisor or a teacher, but a friend. He has always been there when you needed someone to talk to or to joke around with. He's always there when the going got just a little too tough.

Mr. Hindmarch also understands, which is hard to find a person that does. He can relate to you as a teenager because he understands the pressures on a teenager today. Amy Peterson said, "During a senior ball meeting, Mr. Hindmarch came up to me and said, 'Amy, I don't want you taking on a whole lot of responsibilities because I know how important your senior year can be. I want you to do well in school and that's more important.'" When he said this to me, I could tell that he understands the pressures."

It doesn't seem possible to have all these qualities in a person, much less a teacher. Spirited, friendly, and understanding, that's Ron Hindmarch. There's no other way to describe him.

Ode: To Ron Hindmarch
With your boyish grin
and loving ways,
you've nurtured and
guided us
through our high school
days.
You've always had time
to help and to share,
and administer advice
and love and with care.
You're buddy, a teacher,
you're father, and friend.
You're unselfish ways

know no end.
Though we leave these
halls
and soon will part,
we'll always carry a
piece of you
in our heart.
Whatever your future
know this is true,
what we've become
is a reflection on you.
All our love ...
Shelley Burritt Pres.

*Please, don't let this feeling end
It's everything I am,
Everything I want to be
I can see what's mine now
Finding out what's true
Since I found you,
Looking through the eyes of love.
And now I can take the time
I can see my life
As it comes up shining now.
Reaching out to touch you,
I can feel so much.
Since I found you,
Looking through the eyes of love.
And now, I do believe
That even in the storm we'll find some
light.
Knowing you beside me*

*I'm alright.
Please don't let this feeling end.
It might not come again And I want to
remember,
How it feels to touch you,
How I feel so much
Since I found you . . . Looking though the
eyes of love.*

VISIONS OF KNOWLEDGE

A FAREWELL TO MRS. TURNER

On October 2, 1987, Mrs. Turner, our building secretary, retired after fifteen years of dedicated hard work. She first started her career at Northwood five years prior to working at Hilton Central. Mrs. Turner's invaluable service to this school is greatly appreciated, and she will always have a special place in our secret-heart of memory.

FBLA:

The Hilton chapter of the Future Business Leaders of America has grown this year to include twenty-five highly motivated students who are interested in improving their leadership skills for future careers in business. Students in this club plan, organize and conduct activities of their own choosing under the guidance of Mrs. Phillips and Mr. Donnelly. Under the leadership of president Bryan Burrows, this year's calendar included: a field trip to Kodak Elgrove, Wegman's Main Office, and RIT for a leadership workshop; three fundraising campaigns (including the premier of the "Holiday Post Office"); a community service project; the first inaugural ceremony banquet; the State Leadership conference in Niagara Falls; and a trip to New York City. Although many members are graduating, the club is determined to continue the tradition and success established by this year's membership.

THE CADET RECORD

The **Cadet Record** is responsible for the accurate and timely reporting of news, of and for Hilton Central High School, and Neighboring communities.

The **Cadet Record** acts as a sounding board for student and faculty opinions: it is a source of entertainment and information: it offers students a wide variety of real life experiercer in journalism and publication.

The **Cadet Record** is a half-year

course offered primarily to junior and seniors. Every other week the students will be responsible for laying out copy and photograph in as aesthetical pleasing manner as possible. The staff also facilitates the final proofreading of copy, and the distribution of newspaper after they are printed.

Bookstore:

This club is comprised of hardworking and dedicated students who are interested in gaining realistic business experience by operating the school bookstore. Each student has responsibilities similar to those found in running a small business. Some of these include cash register/deposit reports, taking inventory, ordering and selling merchandise, making displays, and maintaining a clean store. Student employees earn one-half to one full credit for their work during the year. In addition to meeting Hilton's sportswear, supply, and review books needs, these students faithfully provide relief to the "chocholics" and others suffering from that after-school craving for something sweet.

Hiroko Wakayama: Japan

The special days that I stayed here with my good friends were over before I knew it. I never missed my hometown-Tokyo, Japan, because my friends always gave me a lovely time, and also my great host family — Tim and Linda Kearney — were there when I needed them. When I think that I may not see you for a while, I really hate to leave. But I know that I'm coming back here someday, 'cause Hilton is another hometown for me. Thanks to you; I've many sweet memories of Hilton to take back with me. I'll have a special place in my heart forever. Lastly, I will say "bye" in Japanese: Sayonara ... until we meet again. Love, Hiroko

Foreign

Laura Taschma: Spain

I have lived in Spain, Venezuela, and now in the USA. I have always enjoyed where I lived and the people I met, but this year was very special to me because I came to what I feel is the best high school in the USA. The students in the High School have been open and friendly and accepted me from the start. I thank them for all their patience and kindness. I have truly enjoyed this year. I will never forget what I have learned in and out of the classroom. This experience has enriched my life. Thanks to all of you, my friends, my teachers, the Marcheses, my host family, and my family in Spain for making my dream possible. I love you Hilton High, Forever! Laura

Exchange

French Exchange '87:

The Hilton-Chambery exchange for the students taking French is entering it's twelfth year. Over 400 young French and Americans have taken part to date. Twenty-five Hilton Students traveled to Chambery last year with Mr. Younker as chaperone. The group visited Italy, Switzerland, the Alps, Paris, and many fine French ski areas during vacation from school at Lycee Monge. As usual, everyone had a great experience and all want to go back.

The Junior Class of '89 presented the play "Twelve Angry Jurors." The play was about a murder case, with twelve jurors and are all asked to come up with a unanimous vote of guilty. One of the jurors comes up with some points of doubt that the tried is not guilty. The old lady said she saw the man committ the crime but wasn't wearing her glasses. Therefore she couldn't prove that he was the guilty one. In the end they find the person innocent and all was well.

In the spring of 1987 Drama Club presented the musical Oliver. based on the novel Twist, by Charles Dickens. the play is about a young orphan boy in England. He gets placed in several foster homes but in between eats out of garbage cans and wears rags for clothes, even though he has plenty of money. At the end of the play he goes back to the orphanage where he reunites with his friends.

Hiltorial '88: Producing the Hiltorial '88 Yearbook is one of the most challenging, but yet, rewarding experience imaginable. But along with the good are always the bad. Headaches and stress always seemed to present when a deadline is near and you still have ten pages to do. This is always the time when all the cropping pencils seem to disappear and your mind goes blank so you can't write any copy. DOUBLE PLAY

Once again, the Hilton Varsity Softball team dominated Monroe County as it has in recent years. Some of the credit goes to 10 year veteran Coach Jim Buck, but the majority of the team's success can be attributed to the players; their dedication, and their hard work. Team captains were Kim Mattle, Bridgette Newman, Jill Heise, and Leanne Henner. All the girls worked well together, and with their combined effort, they became Monroe County Western Division Champs as well as earning a fifth place ranking in the state. The team concluded the season with an undefeated league record of 16-0 and an overall record of 23-1. The only loss of the season was a very disappointing 10-6 defeat in the Sectional Finals to Cardinal Mooney. The individual talents on the team were as impressive as the season. Making First Team All County was Bridgette Newman, Jill Heise, Jenny Loughlin, Kris Berback, and Leanne Henner. On the All-Tournament team for Class AA Sectionals were Bridgette Newman, Jenny Loughlin, Kris Berback, and Jill Heise.

J.V. Baseball ended their season in the middle of the road. Their final record was 10-10. They were also under new direction from first year coach, Ken Barker. Both Mr. Barker and the majority of the team were satisfied with the season. The boys hit a slump mid way through the season, but they were back on an upswing towards the end of the season. Strong at the plate, for the Cadets were Rick Maines, Chuck Baird, Erik Baker, Wray Richardson, and Dave Miller. Many of the players are looking forward to playing at the Varsity level.

The "excellence in softball" tradition continued at Hilton with the JV team as well as the Varsity. The girls showed exceptional individual talent along with a good team effort. The girls were psyched for play before the season and the excitement carried all through to the last game. The Softball players were also under new direction from first year coach, Deb Loughlin. Solid pitching for the Cadets came from Eileen Mee, who later went up to the Varsity level. More strong pitching continued with Julie Ahl and Amy Hibbard. The team enjoyed very strong victories over many of the opposing teams. They ended their season with a record of 17-3.

DOUBLE HEADER

Successful, is a good word to describe the 1987 Baseball Team.

Their success was achieved through their hard work. The team, also, was under new leadership from former JV Baseball coach, Ory Mee. The new coach guided the team to a final league record of 13-5, and an overall record of 18-8. Many of the team members earned individual honors. Mike Heise was named to the All Greater Rochester Team as well as First Team All County. Returning player, Cory Mee, also was named to the First Team All County. Second Team All County honors went to Mike Burke, Kevin Harrison and Todd Raleigh.

Double Time

The Girls Varsity Track Team ran their way to a .500 season for 1987. Their final record was 4-4. The girls enjoyed very strong victories over Brighton and Athena. Other victories that were a little closer were over Arcadia and Churchville. The season was a record breaking one. Sue Parkhurst set a school record for the 1500 meters and Karen Stephens set a school record in the 400 meters. Both of these girls were true assets to the team. Sue and Karen made the All County Team for the 1500 meters and the 400 meters, respectively. Karen Stephens also made All County for the 200 meters. The team finished in fifth place in their division.

The Boys Track Team had a great season on the track as well as in the field. They finished with a strong record of 6-2 and were second in their division. Hilton contributed three athletes to the All County Team. Jeff Fay made All County for the shot put. Chris Jones was honored for the discus and D.A. Brinkel was named to the team for the pentathlon. The boys also had a record breaking season. Jeff Fay and D.A. Brinkel broke records in the shot put and the pentathlon, respectively.

Double Love

The Varsity Boys Tennis team had an outstanding year on the courts. Both doubles' teams and the singles' teams were successful. Playing first singles for the Hilton boys was German exchange student, Christoph Schostek. Christoph's unmatched tennis talents helped the team out immensely and earned him the nickname "Christoph the Great." Playing second singles for Hilton was Mark DuPont. Mark was 9-6 on the year and earned 2nd team all-league honors. Doubles, the team of Mike Gibbs and Troy Prince went 11-4 for the '87 season, they made 1st team all-league and came in third at an Irondequoit tournament.

Collectively, the team had a great season. The only losses came from Fairport and Gates. Hilton finished second in the Monroe County West division, close behind a strong Gates team.

J.V. Thomas Dowd and the Cadets had another successful season. Mike Burr, Brian Ashe, and Chris Monfilleto led the Cadets, with a combined effort winning 15 of 17 matches. The team was very successful despite losing 5 of 7 meets. This year was the first losing season since 1970. The record of 2-5 brings Tom Dowd's career record to 117-43. Brian Field, Mike Balderston, and Mark LeBeau all helped the team in close meets.

Double Strike

Hilton Boys Soccer reached the pinnacle of success in 1987. Previous teams could only hope and dream of becoming state championships, but this team pulled it off by winning the Class A state soccer championship. This marked the first time a Hilton team became state champs. Their final overall record was 21-4-1 and their final league record was 10-3-1. In the sectionals, Hilton defeated Webster, Ironduquoit, Mooney, Spencerport, and Penfield, for the Section 5 championship. Regionally, Williamsville North and Union-Endicott were both edged by the dominating Cadets. In the State Final, Hilton was victorious over the Long Island team, Garden City, by a score of 2-1. The team broke 2 records, one for the most wins in a season (21), and the other for most shutouts in a season (11). Individually, Cory Mee was named to First Team All County, First Team All Greater Rochester, and Second Team All State, along with a host of MVP awards for various games. Tim Ashe made First Team All County and Second Team All Greater Rochester along with other merits. Second Team All County consisted of Steve Bremner, Mark DuPont, and Paul Brinkel. Brinkel also made Honorable Mention for the All Greater Rochester Team. Recognition goes out to Jeff Sorensen, Chris Fay, and Coach Rose, (All Greater Rochester Coach of the year).

Double Trouble

Girls Soccer continued to prosper for the 1987 season as it has in the past. At the conclusion of the season, the teams' record was 16-3-1, with an incredible 12 shutouts. Veteran Coach Jim DuPont was at the helm for his 12th straight year. the team played the numbers game through the season, with the magic number being 3. During the season Hilton beat Brockport twice but lost to them in the sectional semi-finals, 2-0. Also, Hilton was defeated twice by rival Gates-Chili but were decisively victorious over them in the sectional quarterfinals by a score of 4-0. On the First Team All-County team for soccer was, Emilie Bentley, Jill Heise, and Tammy Page. Making Second Team All-County was Jenny DePrez and Leanne Mambretti. Tammy Page also made All-State Honors as well as being nominated for the All-American team. The season, on the whole, was quite successful and hopes are high for the future of Girls Soccer in Hilton.

The JV Girls Soccer team for 1987 was young but talented. The majority of the players were freshman, along with two eighth graders. However, they proved they were tough, despite their inexperience. Their final record was 14-3-1. One of the high points of the season, was defeating Brockport at Home, after losing to them earlier in the season. Another fantastic finish was the overtime victory over Mooney. Katie Henretty nailed a penalty shot to put the game into overtime and the Cadets ended up on top by a score of 3-1. The success of this team has paved the way for an ever more successful JV Soccer program next year.

They say youth is a wonderful thing, but on a soccer team? The JV Boys Soccer team was very young. With only four starting sophomores, inexperience played a big part in the season. The final record for the junior Cadets was 4-10-1. Captains for the team were Jay Allen and Vinnie Noonan. Victories through the season were over Churchville, Bishop Kearney, and Batavia. One of the hardest fought games of the season came at the Kevin Steinmetz Memorial Tournament. Hilton was losing, 3-0 to Horseheads at half-time of the championship game. During the second half the Cadets fought back to tie it at 3-3. The efforts turned out ineffectual, as visiting Horseheads came back with a late goal in the fourth quarter. The experience gained through the season should help yield a strong JV team next year.

Vision Quest

Changes played an important role in the Varsity Football season. Pat LaBarbera was named to the position of head coach replacing former head coach, Dick Todd. LaBarbera had been an assistant coach for the Cadets for 17 years before taking on his new position. Another big change for the Cadets was the name. The team went from being known as the Hilton Cadets to being known as the Hilton Cadet Hawks. Only the football team, however, received the new moniker. Along with a new name, there were some new people on the team. This was beneficial, however, it did leave a door open for inexperience to seep in. As captain Tom Sisson puts it, the team "struggled through" the season, ending with a 2-6-1 record. Other captains for the Cadets were Brian Lee, Don Potter and Rick Sadwick. Sadwick was very valuable to the team as he broke a major rushing record. The previous record was held by Jerry Bensley for 880 rushing yards in a season. However, Rick Sadwick broke the record with 1156 yards for the season. Sadwick made All County first team as a running back and also second team All County, defensively, as a linebacker. The season was highlighted by a rousing triumph over Brockport to retain the Cider Jug. Also significant, was the tie with Arcadia, ending the Greece team's hopes for sectional play.

The JV Football Team had a pretty even season, ending with a final record of 4-4-1. A new head coach was at the helm for the Junior Cadets. Will Prince coached the Cadets and was associated by another newcomer, John Yeara. The highlight of the season was the Cadets romping of Arcadia by a score of 30-0. Other victories for the Cadets were over Batavia, Wilson, and Brockport. Team Captains for the Junior Cadets were Scott Puckett, Dean Wake, Mike George. The Cadets are hoping for an even better JV season, next year.

The Varsity Swim Team had a whale of a season for 1987. Captains for the team were Kim Vallee and Michelle Price. Their record for the season was 3-10. Coach Vallee led the team for her fourth year. Many records were broken by the Cadets. Holly Blodgett broke records for the 200 free and 100 backstrokes. Kim Vallee excelled in the 200 IM, the 100 fly and the 100 breaststroke. The 100 freestyle record was broken by Junior, Amy Thompkins. On the sectional team was Kim Vallee, Amy Thompkins, Michelle Price, and Holly Blodgett. The girls swam well and the season, on the whole, was successful despite losses.

Boys Cross-Country had a good turn out for 1987. The team was a large one, in comparison to recent years. Senior, Erik Jones, led the Cadets as team Captain. The team did well at the county championships placing ninth overall. Other strong victories were over Olympia and Gates. Against the Gates team, the Cadets swept the first seven places. Competing at the sectional level were Jeff Dill, Keith Jensen, Craig Eichman, and Jason Graus. Both Jeff and Keith had the honor of being named to the Second Team All-County. The Cross — Country team was coached by long time coach, Jim Shoemaker. Cross-Country for 1988 looks good, due to the depth of the runners and the spirit of the team.

The JV Field Hockey season was a very successful one in 1987. The team consisted of mostly Juniors and were captained by Juniors Terri DeBonis and Sue Frearson along with Sophomore Heather Hoomans. The team was strong offensively as well as defensively. An offensive high point of the season came against Penfield at home. Captain, Heather Hoomans scored; and came right back a minute later to put the ball in the nets once again. Defensively the Cadets had a strong game against Brighton. The Junior Cadet defense never let the ball come within 25 yards of the Hilton goal during the entire game. The girls suffered a few losses, however, their strong victories capped off a great season.

Double Cross

Varsity Field Hockey was all tied up in 1987. There was a record breaking number of tie games in one season. Twelve games of the eighteen total games of the year, ended in a draw. A lot of the evenness in the games can be attributed to Hilton's strong defense. Captains for the team were, Seniors Lisa Shepard, and Brooke Olgilvie, and Junior Jenny Camillacci. Lisa was named to first team All-County. Karen Purtell and Brooke Olgilvie earned second team All-County honors. In the sectional play, the Hilton team suffered a disappointing loss to a strong East Rochester team. The defeat came in the first round, thus ending any hopes for a sectional title for the Hilton Girls.

The Hilton Girls Varsity Tennis Team had a season of fun and a season of learning. Amy Hibbard and Patti Moser were truly "eggcellent" throughout the season. Despite their losses, the Lady Cadets improved and have a lot of spirit for next year. Second year Coach Bascom had his hands full in a strong Monroe County West Division. Their 4-3 win over Rush Henrietta highlighted their tough season. Next year, Senior Amy Hibbard, Liz Cole, and Amy Meyer will lead the Cadets into the 1988-89 season.

The JV Girls Tennis had a "lovely" season for 1987. They finished their season with a final overall record of 7-3 and a league record of 5-3. Marge Wyant returned to the coaching staff this year and guided the girls to a winning season. Impressive efforts were put forth by Chris Robillard, who ended with a record of 7-1-1 and Karen Gresens, ending with a winning 6-2 record. The team also had an international flair to it. Exchange students, Hiroko Wakayama, from Japan and Maike Brunk from Germany also contributed to the team's efforts. Congratulations to the team, and welcome back Mrs. Wyant.

The Varsity Fall Cheerleaders enjoyed a great season of cheering this year. The soccer team's great success helped to psych up the cheerleaders, and the cheerleaders in psyched up the crowds!! The undisputable high point of the season was the trip to Long Island for the State Soccer Final. Although the weather was cold, all the girls had fun shopping, socializing, soaking in the hot tubs and of course, cheerleading for the soccer team. Mrs. Burch coached at the Varsity level this year after coaching JV in the 1986-87 season. On the JV team the girls were all very talented and had a good time cheering for the JV soccer and football teams. Varsity Captains were Shelly Burritt and Kara Beardsley. JV Captains were Meghan Taylor and Roxie Wilson.

Double Grapple

The Varsity wrestlers had another great season on the mats. They dominated most of their opposition except for the wrestling powerhouses - Brighton, Spencerport, and East Rochester. Captains for the team were Don Potter, Andy Antonucci, and defending state champion, Rick Sadwick. Sadwick, this year, is undefeated so far. In a dual meet tournament two matches were won by only one point against Sicero-North Syracuse, the Cadets were down by 21 points but they "stormed from behind" to beat the Syracuse team. Another amazing victory came against Liverpool. After being down 25-5, Pat White, Eric Albrecht, Don Potter, and Rick Sadwick all had pins to lift the Cadets over Liverpool. Also significant, seven wrestlers make it to super-sectionals, the most ever at Hilton since 1975. As a team, they placed third at sectionals behind Brighton, and Spencerport. The wrestlers had a great season and "fingers are crossed" for possibly two state champions, Rick Sadwick and Andy Antonucci.

The Junior Varsity Grapplers posted a strong 11-2 record for the 1987-88 season. Leading the team were Sophomores Jay Allen, Craig Reynolds, and John Reynolds. Other Sophomores contributing strong records included Scott Puckett, Chris Lane, and Dean Wake. Hilton alumnus Chuck Partridge returned for his 8th year as a wrestling coach. The only losses of the season came against very strong teams from Spencerport and from Brighton. This year's JV team should provide a lot of depth, and fill in some spots for the Varsity next year.

This year marked the return of an Indoor Track team at Hilton. Hilton ran indoor track many years ago, however, the school was without the team until 1987-88. Coach of the team was Mike VanAuker, assisting him with some of the field events was Ms. Shelly Kardiss. The team didn't find that much success on the whole, however, some individuals did quite well. Jeff Fay excelled in the shot put and Scott Ingham and Kris Kaufman did well in the high jump. Many athletes used indoor track to get in shape for their spring sports or stay in shape after fall sports. The return of indoor track will hopefully benefit the athletes as well as help the other sports they play.

Double Dunk

The Varsity Boys Basketball team changed position during the 1987-88 season. Hilton was moved to a new division competing against new opponents such as Eastridge, East Rochester, Sutherland, Mendon and others. The guys worked hard through the season and ended with a regular season record of 14-5. One of the highpoints of the season came at home, against Pittsford Sutherland. Early in the season, Hilton suffered a loss against the Knights at Sutherland. However, the Cadets rallied and beat the visiting opponents by 15 points. At the Cadets Christmas tournament, the team suffered a tough loss to Ironduquoit in the championship game. The Cadets settled for second in the tournament. The guys were led by seniors tim Ashe, Troy Prince, and Cory Mee, along with junior Mike Gibbs. Varsity Basketball will graduate 8 seniors of the 12 total team members, but hopes are still high for a successful year in the hoops next year.

The Junior Varsity Cadets had another winning season in the hoops for 1987-88. Guiding the team was veteran coach, Mr. Ory Mee. The talented team of tenth graders showed a lot of teamwork and skill throughout the season. The skills were developed and the teamwork was strengthened as the season went on, thus preparing the Junior Cadets for Basketball at the Varsity level for next year. The scoring was distributed pretty evenly through the team. There was no unquestionable high scorer, due to the "team" type of play. A high point of the season came against Eastridge at home. Although the Lancers handed the Cadets a loss, the Cadets played strong through both halves of the game. The Cadets ended their season with a win against East Rochester.

The Junior Varsity Girls Basketball team had a winning season for 1987-88. Although the team was very young, they managed to pull off a good season. Captains for the team were two freshmen, Merideth Green and Julie Sherwood. Sherwood broke a JV record for the most points in a season with 164. Guiding the Junior Lady Cadets for the third year was Coach Debbie Loughlin, an ex-Lady Cadet herself. One of the big games of the season came against Batavia. The girls showed their strength against the Blue Devils by defeating them 43 to 13. The JV season ended on a victorious note, with a 34-23 win over Arcadia, on the home court.

Hilton Kicks Themselves

As the final few seconds of the game ticked away, the die-hard Cadet fans began crowding onto the sidelines. The enthusiasm was overwhelming, as it was for the other tournament games. But this wasn't just another tournament game; it was the Class A State Championship. And we won it! Besides being the coldest game of the season, it was the most exciting. The game was played about 300 miles away from Hilton at C. W. Post College in Long Island. The opponent, Garden City, put in a good fight but the Cadets pulled it off and won the first ever team state championship for Hilton. The Cadets, led by Seniors Cory Mee, Tim Ashe and Steve Bremner, compiled an impressive 21-4-1 record, which was also the most wins in any Cadet soccer season. The four months of sweat, determination and teamwork finally paid off on that cold, Saturday afternoon in November, when the Hilton Boys Soccer team earned the right to call themselves State Champions!

Double Dribble

The Varsity Lady Cadets Basketball had a winning season for 1987-88. The girls ended with a regular season record of 11-9. Captain of the team was Senior starter, Jill Heise. Heise broke Hilton's all time career scoring record against Arcadia, going on to score 14 points that night. Also in the record books, Sophomore Eileen Mee made the first three point basket for the Lady Cadets. Collectively, the girls had a great game against Pittsford Sutherland. The offense was hot, as they scored 66 points against the Knights. With only three Seniors graduating, the girls should have some good experience on the court for the 1988-89 season.

Double Spike

The Hilton Varsity Volleyball team was under new direction for the 1987-88 season. Hilton native, Toby Eichas, assumed the position of head coach. Eichas had previously coached volleyball at Kings Cross College. Captain of the team was Senior, Wendi Weber. One of the high points of the season came at the last home game against Mendon. The first contest between the Cadets and the Vikings ended in a Hilton loss. However, the Cadets rallied against the Mendon girls at home, beating them by a score of 2-1. Another high point was against East Rochester, also on the home court. In their first meeting, Hilton lost in four very close games. The Cadets were psyched to win against the Bombers at home, and they pulled off a strong victory. Although the season had a couple more losses than wins, the team had a winning season as far as learning goes. The girls learned a lot about the game, and worked very hard throughout the entire season.

Inexperience played a big role in the outcome of the 1987-88 Jv Volleyball season. For many of the players, this was their first year ever playing the sport. The team also had a new coach for the season. Lisa Bishop took on the JV coaching position in the 1987-88 season. Captains of the team were Sophomore Amy Cameron and Freshman Kelly Laubacher. The girls played tough all through. Their season was highlighted by their victories over Churchville and Sutherland. Hopefully the team will have more success next year, due to the experience gained through this season.

This was the year for the return of a boys swimming program in Hilton. The JV boys swim team was brought back after not sporting a team in 1987. The team was at a disadvantage for a couple of reasons. First, inexperience was a hindrance to the team, as it consisted mostly of freshman. Secondly, the team swam against Varsity opponents. The Cadets were led by sophomores Lazlo Serviack and David Doty along with freshman Kirk Webster. Doty was the diving strength of the team. His season ended by winning the JV Sectionals in diving. '88 was a rebuilding year for the swim program, and hopes are high for more success next year.

The Varsity Basketball Cheerleaders took on a new look in 1987-88. The squad was increased from 12 girls to 16 girls for the first time at Hilton. New uniforms also changed the look at the Basketball games. Coach Lyn Morgan headed things, along with the help of Senior Captains Shelly Burritt and Kara Beardsley. Although the girls didn't place at the Pom-Pom or cheerleading competitions, the team did qualify for sectional competition. The squad cheered great through the season and hopes are high for cheerleading competitions next year.

The Wrestling cheerleaders went through a lot of change in 1987-88, as did the basketball cheerleaders. In previous years, there were two squads, JV and Varsity, however, this year they were combined into one squad. The team was led by former Hilton cheerleader, Bonnie Campbell as a second year coach. Captains were Seniors Callie Teringo and Tiffany Wallner. At Pom-Pom competition, the girls came through with a strong fourth place trophy in their division. The girls also competed at the All Greater Rochester Cheerleading Competition, but came home trophy-less after a great performance. The girls worked hard through the season and all are looking forward to next year.

The JV Basketball cheerleaders had a great season. They cheered for a winning team and they were winners themselves at Pom-Pom competition. The Junior Varsity cheerleaders danced themselves to first place over a strong Arcadia squad at Pom-Pom. At cheerleading competition, they followed suit with the other Hilton squads and came home trophy-less. Captains were Sophomores Quyen Tran and Meghan Taylor. The team was under direction from new coach Marcey Burritt, also a former Hilton cheerleader. The girls had a great year and a lot of fun throughout the season.

Spirit: Hilton Style

Homecoming this year generated much excitement. Everyone was in high spirits after a week of anticipation. Announcements were made for all seniors to wear red and white to be photographed in a giant '88. Preparations for the Pep Rally were underway; students were voting for Homecoming Kings and Queens; the band was preparing for its halftime performance; and last, but not least, the football team was getting psyched for the big game.

School started quite early for many seniors, some coming in as early as 6:00 a.m. to decorate Senior Hall. The Hall was filled with red and white balloons and streamers; and tissue paper decorated the lights. Finally, at 7:15, Senior Hall was completed. Then came the "face painting" — seniors who showed their spirit by painting all over their faces. All of the seniors participated, and even some of the underclassmen and teachers.

During Homeroom, the entire Senior Class went outside to form a giant '88 which was photographed

from the roof of the school.

Many teachers said the class of '88 is one of the most spirited classes the school has seen in a long time. That Homecoming Day, everyone was dressed in red and white, had painted faces, and loudly declared Hilton's superiority.

For the rest of the day, classes were on an abbreviated schedule in order to provide time for the Pep Rally. Teachers tried to control their classes, but many of their efforts were fruitless. Finally, most gave in to the rising excitement.

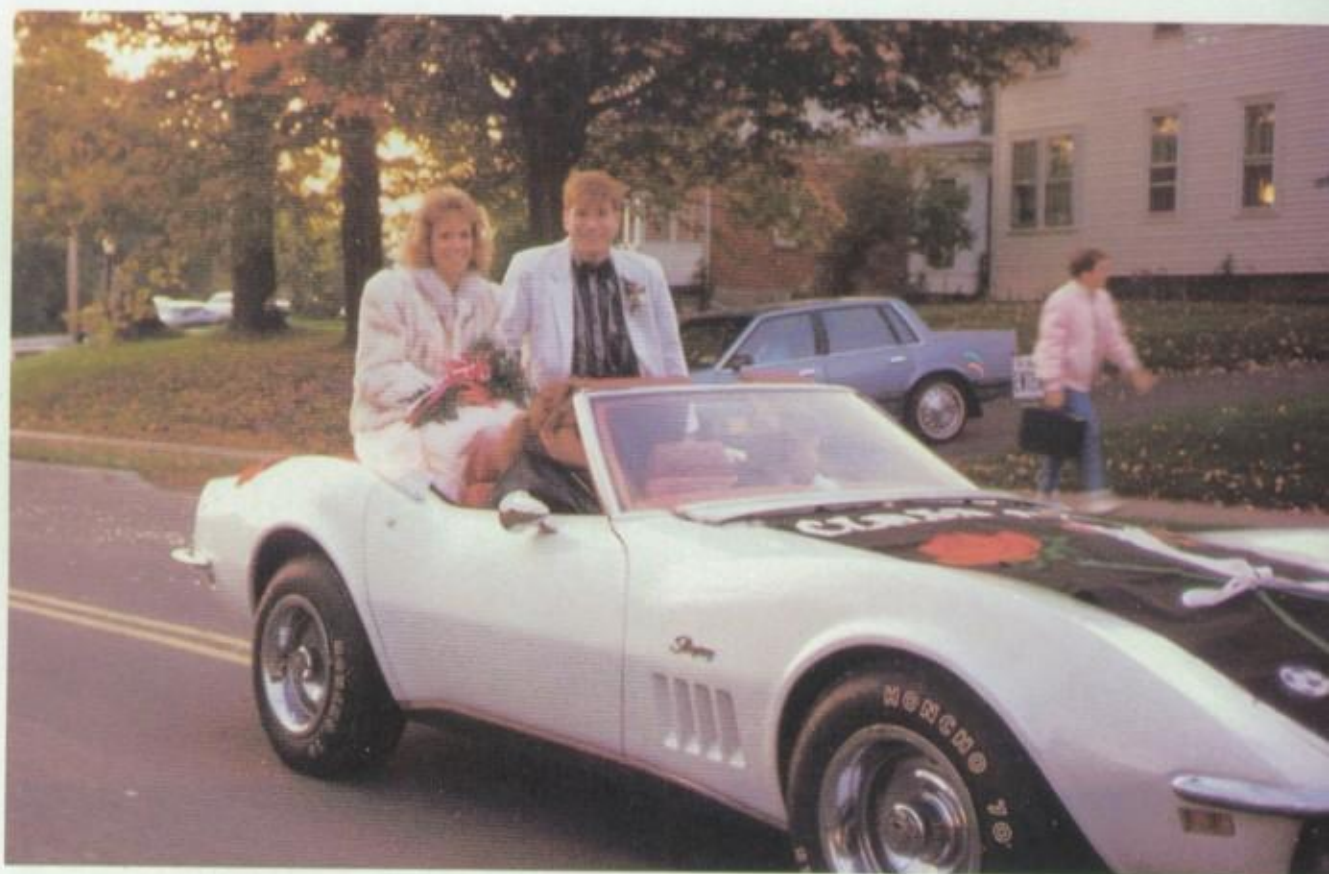

During eighth period, the band was called down to the gym for a quick warm-up. Finally, everyone was released from classes, and as they piled into the gym, they were greeted by the band's award-winning tunes.

During the Pep Rally, all of the Fall sports teams were introduced. The four classes enthusiastically competed in various contests. The cheerleaders performed their "boogie routine," and they led us in the victory cheer, which the seniors won by out-

elling everyone.

It was that evening, though, that brought the best part of the day. The Marching Band began the traditional Homecoming Parade. After the band were the Homecoming Kings and Queens. Next came the floats based on the category, game shows. Spectators were treated to creative versions of "Hollywood Squares" (Seniors), "Pig in a Poke" (Juniors), "Wheel of Fortune" (Sophomores), "Let's Make a Deal" (Freshmen), and "Name That Tune" (Faculty). It was obvious that a lot of work had gone into all of them, but the Seniors were victorious.

The parade and the spectators ended up at the stadium, where the band played the "Star Spangled Banner," and the game began. The Hilton Cadets were playing the Olympia Spartans. The first half was hard and fought, and the score at the end of the half was 6-0. The second half was just as bitterly fought as the first half, and hard work paid off as Hilton came out on top over Olympians, 10-6. It was a perfect ending for a perfect day.

UNDERSTUDIES

ON THE DOUBLE

The class of 1991 plunged into HHS with visions of a super successful year. They started off with a superb start profiting \$500 on their yearly fundraiser. Homecoming brought out the spirited smiles of king and queen, Christopher Roach and Jackie Fridd. With their 4th place float, "Let's Make a Deal", the Freshmen began their 4-year vision quest of unity, spirit, and accomplishments.

Our Freshman year started out with President Rick Sadwick, Vice-President Sherri Gay, and Secretary Becca Schepler. These officers helped get our class off to a terrific start. With the help of our class advisors Mr. Holowka and Mrs. McKain, our class began to unite and enjoy our high school years.

As we entered into our Sophomore year the class of 1988 officers were President Sherrie Gay, Vice President Becca Schepler, Treasurer Jill Heise, and Secretary Sara Enustun. Mr. Holowka was no longer one of our advisors and Mr. Lubes took his place with Mrs. McKain and they continued on as our advisors to lead the class into their Junior year.

What a successful year our Junior year was! 1988 officers were President Patti Moser, Vice President Jill Heise, Treasurer Shelley Burritt, and Secretary Beth Monfiletto. In our Junior year we encountered new advisors, Mr. Westcott and Mr. Hindmarch. These officers and advisors showed the class of 1988 what spirit was and they helped make our Junior year very special. It was in that year in which the class of 1988, the officers, and the advisors became a true team.

As we begin the end of our High career we can thank our leaders and helpers who have stood by us though the past years. Special thanks to President Shelley Burritt, Vice President Leanne Mambretti, Treasurer Patti Moser, Secretary Beth Monfiletto, Mr. Westcott and Mr. Hindmarch. We also had a new member join the team-Mr. Fay, who dedicated himself and his time to the Senior class. With the help of these people, the Senior "team" became larger and larger, growing with spirit and friendship.

IN THE SHINING LIGHT

The class of 1988 has proven itself to be a very special and spirited class. Through the past four years our class has grown from cliches to groups to a family. Family is what we are now-as seniors we have counselled, laughed with, and worked with friends to achieve. Our achievements have shown so much — Senior homeroom, fantastic senior days, and of course the best Homecoming that Hilton has ever seen with the 88 formation, red and white day, and our first place winning float. Octo-

ber 9, 1987 was the best Homecoming in history, and it truly united our class into one. Although the class of 1988 is full of special and talented people; we have had plenty of help in organization, support, and spirit. Special thanks to our advisors-Mr. Bob Wescott, Mr. Ron Hindmarch, and Mr. Kim Fay. These three men have proven themselves to not only be advisors, but best friends. As we paraded in our Halloween costumes of goal posts to frankenstein, our advisors had all the homeroom teachers wearing masks, had made

bumper stickers, and had planned out our whole fantastic day. Their support and help were a main part of our success as seniors and we thank them from the bottom of our hearts. Thanks to H.H.S. staff, our advisors, and seniors, our senior year was the best in Hilton history—we had with spirit and class, and we will always be remembered in Hilton-and as seniors we can reflect and remember what was and how we were. So enjoy your reflections seniors-this book is for you!!!

ADVICE TO UNDERCLASSMEN

Through our years at H.H.S. we have encountered many situations, bleeps, and blunders that have taught us how to act, what to do, and more importantly — what not to do. As an example, I have a friend, (who shall remain anonymous), that always seemed to never make it up or down the stairs of the school, in certain boots that she would wear, without falling, tripping, or slipping. As a freshman-it was cute, as a sophomore-it was clumsiness, as a junior-it was airheaded, and finally as a Senior-she doesn't even care anymore. I guess the bruises and bumps don't even hurt anymore. The funny thing is-whenver this friend would fall-she would always be surrounded by upperclassmen. One time-on a trip, she was attempting to walk down the stairs at Maple Leaf Village, (in Niagra Falls) she slipped, and fell on some guy after falling down seven stairs. But she was a freshman, so she got by with looking adorable. So, for you incoming freshmen-don't worry about your bleeps and blunders, just be able to run fast-we all know how the football players love to chase, carry,

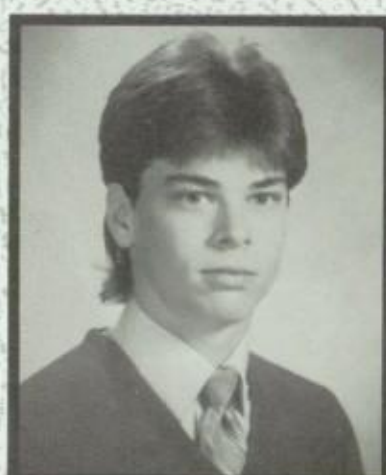

and pile-on. That's our advice to you. Now to the sophomores-you are a group of kids that have a special talent and knowledge. But you do have a problem. Sophomores have always been labeled as smart — es — so be careful how you express your talents and knowledge. To do it in a quiet way will be given more recognition than to be noisy and boisterous. To the last group of underclassmen — the juniors. Everyone knows that the junior year is the hardest, but it can also be the best. Juniors have SATs, ACTs, and college to look forward to. But there is also the Prom, the superiority, having a full schedule, your license, and just to have "arrived" — no longer are you a freshman or sophomore — but the next in line to the throne. So enjoy it — the hard work really does pay off. So to all you underclassmen remember one thing — after you sit in commons on a wad of butter, or after you sit in a desk with gum plastered to the seat, or just after you recovered from a pile-on — it's expected, and it's noticed, yet rarely remembered.

IN THE YEAR 2002 . . .

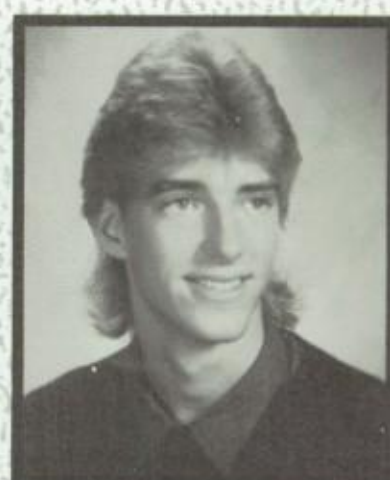

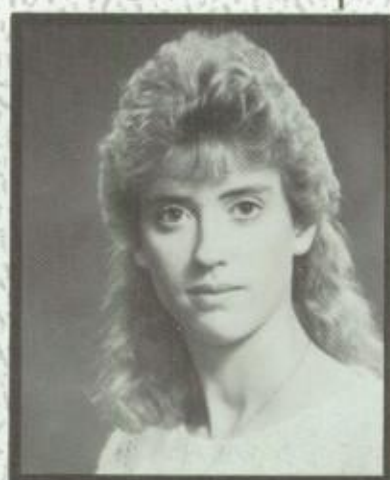

Evanglists Heather Stone and Mike Burr will have their own T.V. show from Downtown Hilton-Presenting Hiltonage USA. Professor Sean Kearney is now teaching the "fine points" at the Aquinas Institute of Higher Learning and Scuba Diving. Amy Goole and Linda Drouin will have given up their "party life" and have chosen a life of peace and tranquility as they rise each morning at 5 a.m., milking the cows, feeding the pigs, and making bread while taking care of their 10 children. Soccer stars, Jeff Sorenson and Tim Ashe, are now devoting all of their time, not to play soccer, but to another sport — they have now teamed up with Mr. Davids and have indentified 453 birds in this area alone — they are truly fulfilled.

Mark Urbanski has unselfishly devoted himself to the life of learning. Mark is receiving his 3rd doctorate in Dolphin Communication.

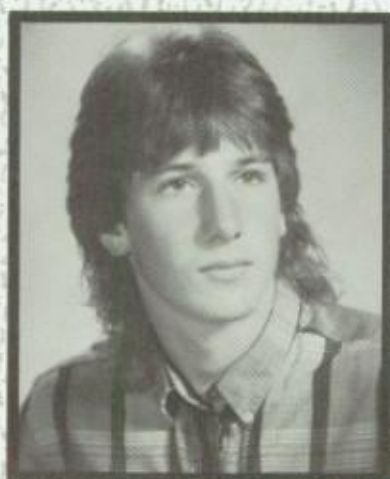

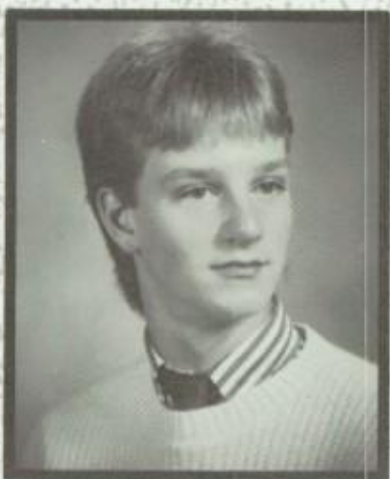

Mark Widman, our own weather expert from the Farmer's Almanac, is busily arranging rain dances for August to save Amy and Linda's farm — God Bless Him.

Dr. Dave Taggart is now busily writing prescriptions to pregnant ladies instead of excuses.

Reverend Matt Fumia has opened a chapel on the border of Monroe and Orleans county. The Reverend and assistants are doing very well with their business-putting the "holy" back in everyone and making everyone see the light — their light.

SPAZ!: THE PARTY HOUND

The HHS Seniors would like to present our rendition of Spuds McKenzie: Spaz McSenior! This wild and uncontrollable canine is known to us as . . . The Party Hound!

Spaz is always seen at all the hip parties. At one of the parties, he was seen tearing a Spuds McKenzie t-shirt off of a very respected female student. Man was that a sight for canine eyes.

Another incident occurred at Spuds McKernan's house. Spuds, a beautiful, white persian, and Spaz are "kissing cousins." The lovely Spuds was having the party of a lifetime. While some wise guys decided to bring a stuffed Spuds McKenzie doll. Spuds was rabid. She couldn't believe that her friends would do something so . . . stupid. When Spaz spotted this stuffed creature, he went mad-dog. First, he started to run towards the dog. When he got there, he tore the doll to shreds. Then after he destroyed the stuffed doll, he went and buried the remains with his bones.

Where is Spaz today? No one really knows. Some say he joined the Army and became a dog-face. Other's have seen him running with a bad pack. Where ever he is, one thing is certain, he is enjoying a dog's life.

SENIORS ENDURE CHANGES

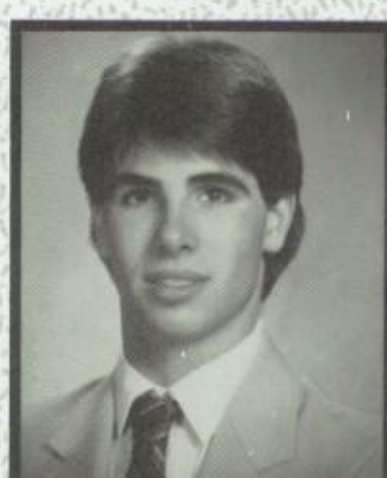

Throughout our Senior year we have had many changes to face at H.H.S. Things are much different then when we were freshman. And what about those changes? Are they for the better? Many Seniors think so. Of course in some situation things are not always as one would wish. The most controversial issue that the Seniors encountered was the installations of new locks of our lockers. Brooke Oglvie feels that the locks "are fine as long as we are allowed to put the paper in them." However Liz McKernan states an opposite opinion: "for one thing-there's no time to get to class, another thing-Seniors are responsible enough that if they want their things locked up it should be up to them. No matter what the argument, the locks are permanent and will always be considered part of the school life.

Many other changes encountered by Seniors included the "new look" of the lounge. There are now ping-

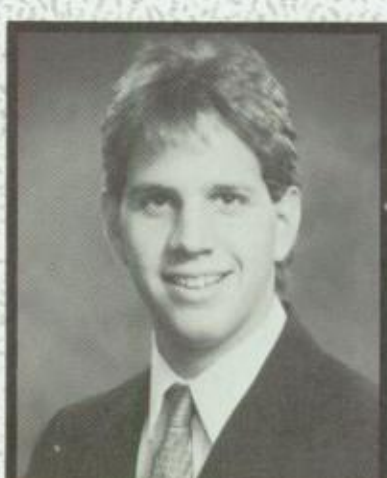

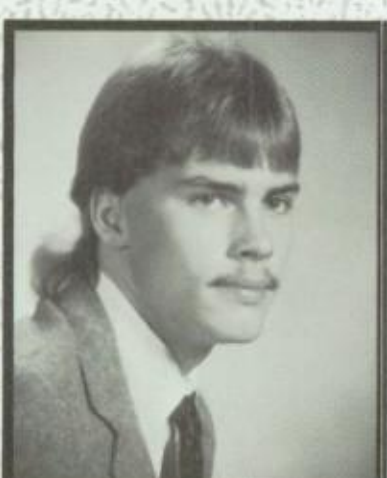

pong tables, more furniture, and a new stereo system. The lounge has finally been able to compete with the library as a place to do homework and study. Another beneficial change was the switch of lunch services. Students can now choose their cuisine from clams to subs, or the mother's favorite-chocolate milk and twinkies! Senior homeroom is also a luxury that we have been able to experience this year. This enables the entire senior class to meet in the morning for attendance, announcements, and senior news. Many believe that Senior homeroom is not only a wise solution to miscommunication among officers and students, but also a big part of 1988 spirit. No matter what changes occur in H.H.S., whether it be new administration, teachers, or students, this school will always be the same four walls that enclosed us for some of the best years in our lives-one thing we can always count on ... some things never change!

WHAT IS SENIORITIS

It is the feeling you get when you fail your first test as a freshman.

It is the feeling that comes after you get injured in a food war in commons.

It is the feeling that occurs as a junior, when you get your first look at the SAT test.

It is the feeling of never being able to leave H.H.S. as all the seniors are skipping.

It is the feeling that begins when you begin your high school career-with only one cure-to become one of the elite, a senior!!

Yesterday-is filled with childhood memories of innocence and laughter. Not a care in the world, only days filled with play and happiness.

Today-will be filled with memories of friendship, learning, and growing. Each passing day brings new experiences, challenges, and dreams for the future. Life is a reality, as we prepare ourselves for the responsibilities that lie ahead.

Tomorrow-will be filled with memories of yester years those things that seemed so small and irrelevant now are cherished deep within our hearts.

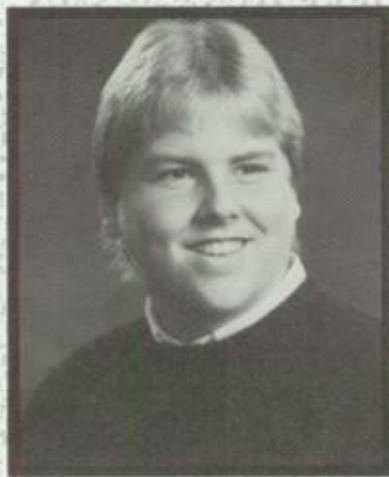

Always-we will remember those who have influenced us, shared the laughter and tears with us, and watched us grow. Always we will treasure our memories of H.H.S. and the ways in which it has touched our lives.

Crossroad . . .

Memories

As we approach the crossroads of our lives we are compelled by our memories to see things as they are; but magnified because we know for us they will never be the same again.

Remember Hilton during the Fall — Apple Festivals and exciting Homecomings where it seemed the entire town would turn out for the parade and the football game. With all of our parents, friends and neighbors cheering our school team on! If it wasn't for the Boosters, a group of caring parents, we wouldn't have the many things we needed for our teams. They were proud of us. Esp. when we won a game or took first place in a parade.

Let's take a look back to 1985, the Girls Varsity Soccer Team were Section Five State Class B Finalists! Second in New York!! Who could ever forget this year's Boys Varsity Soccer Team becoming State Champions!! We sure are Proud!

What about all the victories the Marching Band has had. Winning First place in Washington DC for 2 years in a row. Wow! Isn't that just great?! This school has alot of talent along with Sprit!

How could we ever forget all the trips to the malls, and having snowball wars outside the school on a cold winter's day. When Hot sunny days came around, skipping classes and heading for the beaches. Now that was fun, until we got caught, Remember?

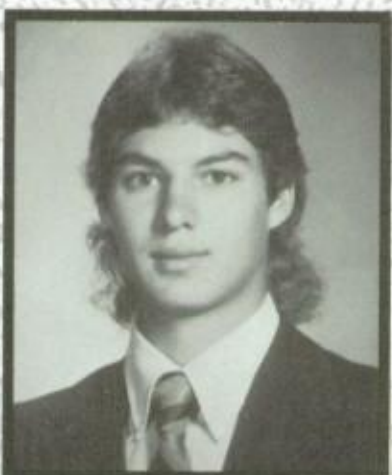

Now that our time has come to grow up and go in our separate directions we will realize how much fun we have had in HHS. This is the part of our lives which we will be following different paths, meeting new friends, and remembering the old. So . . . as we come to this crossroad in our lives we have to say goodbye to our dear friends, teachers, and HHS . . . GOODBYE HHS . . .

Follow You, Follow Me

Junior Prom 1987

On May 23, the great tradition of the Junior Prom was held at the Hilton Fire Exempt Hall. We danced and romanced late into the night with Sneakers. The class chose "Follow You Follow Me" as their theme song.

The court consisted of King Rick Sadwick, Prince Cory Mee, Queen Shelley Burritt, Princess Leanne Mambretti. Other court members included; Bill Hawley, Sue Manely, Dusty Graupman, Patti Moser, Steve Bremner, Kim Merritt, Jeremy Toal, and Beth Monifiletto.

Special thanks go to the Juniors, the numerous committees for their ultra-extra-hardwork, our advisors and parents who made sure that the night would be one everyone agrees — The Social Event of the Year.

Taking a

DOUBLE LOOK BACK

Seniors Remember What Was

As we entered Hilton High School in the fall of 1984 we wondered what to expect from our teachers, upperclassmen, and our fellow students. We really wondered if our Freshman class could ever have the spirit of the Seniors of 1984. But after the elections of our freshman officers: President Rick Sadwick, Vice-President Sherrie Gay, and Secretary Becca Schepler our first year of high school seemed off to a good start. Even Freshman Friday didn't seem to be as bad as all the myths of rotten eggs and hair in the hair. Which is a good thing, because how would it have been if the entire class of 1988 were walking around the school trying to fit in with no hair? But the hair never posed as a threat, and the class of 1988 began to fit in well.

As our freshman year came to an end and our Sophomore days began to show around the corner, we as people began to change. No longer were we afraid of Upperclassmen because we felt as if we were among the elite, because we were no longer the newest blood in the

school. That knowledge made our Sophomore spirit shine through. Officers: President Sherri Gay, Vice-president Becca Schepler, Secretary Sara Enustun, and Treasurer Jill Heise led our class to create a second place winning float.

When our Junior year began, we started to feel our "upperclassmen" power. For the first time since we entered HHS we started to feel the need to look ahead. SAT's, ACT's, and college plans were among the many worries that we encountered as we matured into young adults. Our officers elected that year were: President Patti Moser, Vice-President Jill Heise, Secretary Beth Monfletto, and Treasurer Shelly Burritt. We started our year with much excitement as our Popeye float won first place and committees were formed for the Junior Prom. All in all our Junior year led to much of the success of our Senior year because for the first time in our HHS history we were a class that included everyone in spirit and in participation.

Finally the day came that we were all waiting for, we were SENIORS!

The moment we walked into the school the excitement could be felt. Because we were Seniors and we had MOVED IN! Spirit could be felt from all directions as we won the float competition for a second year row and conquered the underclassmen during Homecoming events only in games, but in spirit. Our class was finally moving in the right direction, and finally moving all together. Under the direction of officers: President Shelly Burritt, Vice-President Leanne Mambretti, Secretary Beth Monfletto, and Treasurer Patti Moser. So finally as Seniors facing graduation, we owe so much to those who have helped us through the class and the people that we are: the previous 1988 officers and our advisors who have helped us through the odds: Mr. Ron Hindman, Mr. Bob Westcott, and Mr. Kim Fay. We couldn't have done it without you! And as we move on to college and careers we can remember and reflect upon our days at HHS, as one of the best times of our lives.

DAYS IN DOUBLE TIME

During our Senior year we have had many activities in which we showed our true Senior spirit. It all started with Homecoming on October 9, 1987 as we wore red and white. As Boy Scouts and Raisins walked about we could only guess that it was Halloween-a day early-October 30, 1987. Seniors topped off November 25, 1987 as they all put on their weirdest and craziest hats, ties, and glasses. As everyone dragged out their parents mothy sweaters, skirts, and slicks we knew that It was December 23, 1987 and Slicks and Chicks Day. As the new year rolled around we enjoyed Aloha '88, Morning Madness, Polyester and Plaid Day, and the "Animal House" favorite, Toga Day. Although we only have "senior days" once a month-we can relax-because as Seniors, everyday is a SEN-

MORNING MADDNESS

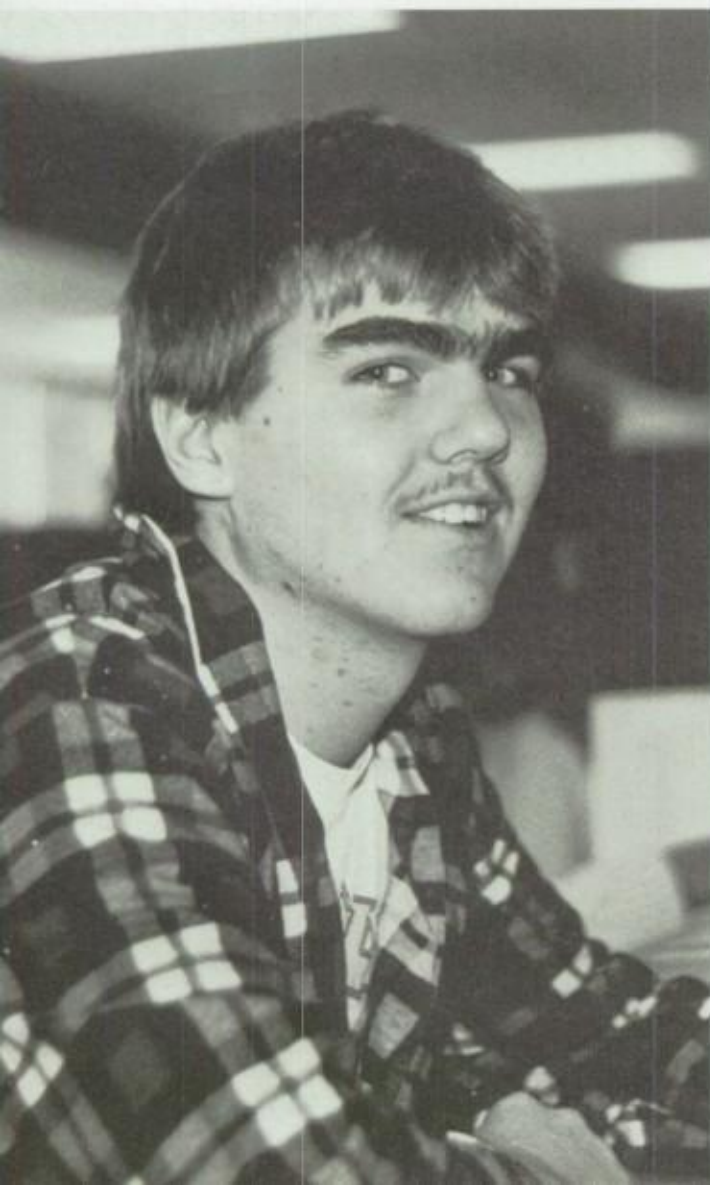

On February 11, 1988 the Senior Class showed their spirit once again as they all showed up for school in their pajamas.

This event was a great success as was the entire year. **Far Right:** It is too early for Keith Elphich. **Middle Left:** Good morning to The Breakfast Club. **Far Bottom Left:** The latest in morning apparel. **Middle Right:** Jeff Ayotte looking the best he has ever looked. **Bottom Right:** The pajama crew, Jeremy Toal, Amy Peterson, Kristin Berback, and

The loss of loved ones . . .

In memory of Patti Lynn Kenyon and Kevin Allan Steinmetz

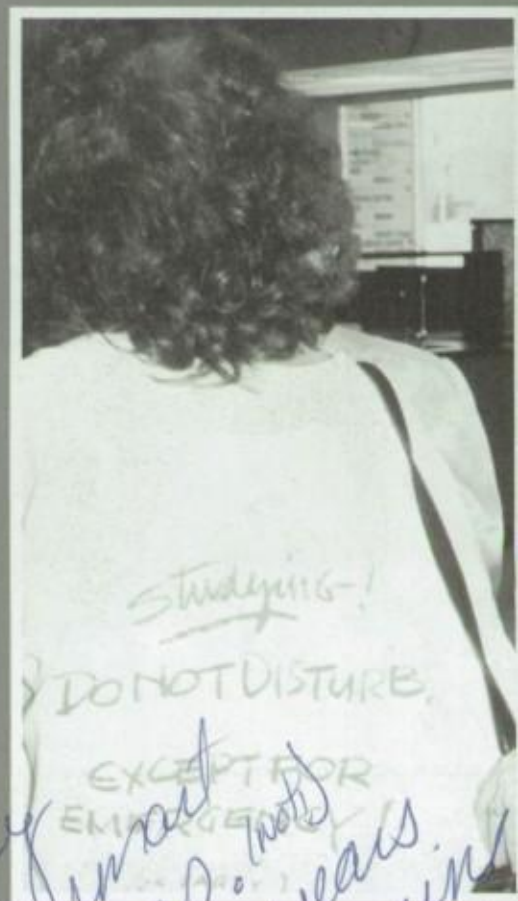

A short life can be an intensely sweet one, almost always sweeter and purer than life prolonged. You sorrow for the joys of life that a child has missed, but you recognize the pain and problems they have been spared. They go back to their maker

unembittered, unscarred, unsullied, leaving those who survive with the most beautiful of memories. Let us thank God for the marvel that these children were. That we can say good-bye to them without shame or regret, rejoicing in the blessed years they were given

to us. Knowing that their bright, young lives, and their many gifts have not truly been ended or wasted, only lifted to a higher level where the rest of us can't follow. Separation? Yes. Loss? Never. For their spirit will be with us always . . .

Donna,
 I can't believe
 this year is almost
 over! I am glad
 I got to know you
 better in the classes
 we had together.
 Mrs Burch and
 my aunt rule! I
 can't wait to
 play floor hockey
 and volleyball again.
 We had better be
 in the same class
 I'm so glad Bio
 lab is almost over
 Mrs Beath was
 excellent. Maybe
 we'll get lucky next
 year with Chem
 lab and Mrs Potter
 can give us all of
 the answers. Have
 an excellent summer
 and good luck in
 softball and basketball!
 See you around,
 Class of 90
 Love,
 Candy

Bubby,
 Cindy did it again,
 Cindy keeps signing on
 she keeps signing on
 my page! I'm really
 going to miss your smart
 remarks next year. (not)
 I hope you last ~~year~~ years.
 Good luck with everything
 I'll see you around
 Class of 1988
 Bucky
 Andres

Yes, there are two paths that you
can choose from, but in the long run
there's still time to change the road
you're on.

Hollink Honda's move this year to their new larger location at 386 South Union St., Spencerport has been a real customer plus. Hollink's move to the former Hart Taylor car dealership allows them to offer an expanded parts department,

large inventory display, plus the great Suzuki line of motorcycles and ATV's. Hollink continues to offer Honda motorcycles, scooters ATV's, DDT front mount mowers, portable generators, and water pumps plus Bush-Hog rotary mowers for

ATV's. Hollink is owned and operated by Bill Hollink, a 21 year veteran of the motorcycle service business. Bill and his friendly staff invite you to stop by and see what Hollink Honda Suzuki can do for you.

Wee maiden,
Arms laden,
She gives me,
Things to see,
Tiny treasures,
Small pleasures,
In her young world:
Sticky fingers curled
Around sand and stones;
Soggy ice cream cones,
Weed bouquets and ladybugs,
Things like those,
Which I return with hugs
And kisses on the nose
And gentle pats
As I look into her eyes,
Oh that . . . that's
The winner's prize!

Donna:
NOT!!
this year was great, huh?
was as good as it could get.
blasting the freaks in hockey,
kickin their ass in volleyball &
destroying them in basketball & softball
were just a FEW of the highlights.
ALSO.... had what a joy in my life.
those pigs were great!! too bad Betty turned out
to be a guy! oh well. you did awesome on Jarsity
softball! Really; good job! well. Good luck in & safe
90 rules!
see ya next year.

Donna,
Hi! What's
not much here.
It's been a lot of fun
in Espanol! Hope that
next year will be in
Espanol III. Call me over the
summer: 392-2851! We could go to
the beach!

Love, FIF
Julie

Donna,
You have been
a good friend this year.
Good luck next year as
a Junior. Have a good
summer. I will see you next
year.

FIF
Lisa

PS. maybe
next year
we can be
in Espanol
together.

DONNA,
IT WAS REALLY
GREAT IN SCIENCE!
TOO BAD THAT IM SMARTER
THAN YOU! HA! HA! WELL YOU
WILL BELIEVE ME WHEN I BEAT
YOU ON THE FINAL! HOPE TO SEE
YOU NEXT YEAR! LOVE,
Karl

Donna,
This year has been
a lot of fun. Bugging Judy
is still at the top of my list
of things to do. I still think
Putnam is a ass and Mayer should be
shot. We got to be sure to get together
and play B-ball this summer. are you
playing at Churchville? Gotta go.
Love
Bren.

Dibby -
That's not a very
nice name so I'll call
you Donna - Thanks for
throwing with me in softball -
keep up the good work, maybe
you'll pass me up next year
too! You're getting louder every
year as deb would say! Have
a good summer - Have
see ya - Karen
1989!

Donna,
It's been a great
year, and now it's
finally over. Lunch
has just been so
awesome, picking on
Sue, and having her
run up and get me
something. I never
know what to
write in yearbooks.

Hey Donna, what
do we do in Social
Studies? (Ha, Ha).

Will have a
great summer and
see ya next year.

Class
of '90 rules Amy
Lisson

Donna,
Hi, It's been OK
in Biology this year.
Lunch wasn't all that bad
either. / Hope you have fun
this summer. Good luck with everything
see ya
Mark

Donna,
I am glad we could
stay friends for another
year. I hope next year we
will be in a half way decent
class together (Putnam's class is
a joke) I hope to play on the V
team w/ ya next year. Well have
a fun summer.

Keep
in
touch

Love,
Jeta

Donna (D.B.)
There is gone!
Basketball was awesome! His pretty
bed-head Mayer. Hey pretty
we still have him for 2
more years. Holy cow! Softball's
kick sectional. No we kick butt
Math, but in sectionals.
who. But we beat with you know
been Summer great. Have a good
P.S. Don't forget Love
